

Step by Step Process: Please follow these steps to access, view and print for hard copy submission your educational institution's Award Packet documents.

- 1) You will receive initial notification that your educational institution's Award Packet has been posted to the CTE Online Account via an email (see Screen Shot # 1a.) If your plan is approved after October 1st, the approved Local Plan email notification will include notice of your Award Packet (see Screen Shot # 1b.)
- 2) After accessing your Account by following the Account Log On process, you will be taken to the *Perkins Local Plan - Work Areas* page of your Account. Select the appropriate Local Plan from the drop down window under the *Your Existing Local Plan* section and click on the *Return to Local Plan* button (see Screen Shot # 2.)
- 3) After clicking on the *Return to Local Plan* button, you will be taken to the *Main Perkins Local Plan Page*. Review the note at the top of the page advising you that the Award Packet has been posted and click on the *View* button for the Award Packet (see Screen Shot # 3.)
- 4) At the *Award Packet Main Page* (see Screen Shot # 4), you will be able to view and print each component of your educational institution's Award Packet document set. After viewing each document, you may return to the *Award Packet Main Page* by clicking on the Award Packet link in the upper left corner (see Screen Shot # 5.) Each of the presented documents must be read, printed, signed and submitted in hard copy to CCCS as outlined below.
 - a. For all educational institutions, the first document is a customized Grant Recipient Agreement. Read, print, sign, make a copy and submit the original of the first and last page to CCCS.
 - b. For all educational institutions except CCCS colleges and the consortia for which they act as fiscal agents, the second document is the Certification of Exemption From OMB A-133 Audit. (This document is not required for CCCS colleges and the consortia for which they act as fiscal agents because CCCS already has a copy of their A-133 Audit.) Read, print, sign, make a copy and submit the original of this document to CCCS. Or, if your educational institution received \$500,000 or more in total federal funding in the prior fiscal year, submit a copy of the A-133 Audit. Please see the Non Technical Guidance of the Award Packet section in the CTE Administrators' Handbook for more information on the OMB A-133 Audit and the Certification of Exemption.
 - c. For all educational institutions, the last document is the Civil Rights Assurance. Read and review for compliance, print, sign, make a copy and submit the original to CCCS. Please see the Non Technical Guidance of the Award Packet section in the CTE Administrators' Handbook for more information on the Civil Rights Assurance.
- 5) You will be notified that your Award Packet has been received and is under review via email (see Screen Shot # 6.)
- 6) If your Award Packet is complete, you will be notified via email that it has been approved (see Screen Shot # 7) and that your Voucher 1 is posted. Otherwise,

CCCS staff will contact you for missing information. Please process your Voucher 1 immediately. Another technical guide is available that explains processing vouchers.
