AB

Purpose: Train educators on PWR initiatives inclusive of ICAP by facilitating the culture of Meaningful Career Conversations by all staff with all students.

Here's what PWR/ICAP Facilitators can do for you! (no cost)

- Facilitate with schools/districts to think creatively to enhance your *ICAP process*
- Teach processes for all staff to have *meaningful career conversations* with students
- *Collaborate* with programs across the school/district/region*
- Train additional regional representatives for implementation *sustainability*
- Design and facilitate *PWR/ICAP Trainings* in your region
- Teach and *Navigate* the ICAP toolkit
- Message and *foster buy-in*, enthusiasm and relevance for secondary initiatives
- Learn of, share, refine and replicate *promising practices*

Here's what you can do!

- **Contact** the most local facilitator listed above via email
- **Provide** contact information, several best times to connect and vision for what you need.

***PWR:** Postsecondary Workforce Readiness ***ICAP:** Individual Career & Academic Plan processes

****Recommended:** School Counselor, CTE, Administration, SpEd/Transition, General Ed Classroom teachers, Support Staff, Technology 'guru', business/community member, postsecondary representative, other supportive 'champions' of this work..
